

Job Vacancy Notification

Centre of Excellence For Human-Wildlife Conflict Research, Mitigation and Technology
Maharashtra

Applications are invited for the following **contractual positions** to support scientific research, technology-driven mitigation, capacity building, community engagement, and policy advisory work related to **human-wildlife conflict (HWC)**, with special reference to **tiger and leopard landscapes of Maharashtra**.

1. Senior Research Scholar (SRF) (1 Post)

Role: Centre Lead & Team Coordinator

Responsibilities:

- Lead and coordinate research, mitigation, technology, and outreach activities of the Centre
- Supervise Junior Research Fellows, Data Analysts, and technical staff
- Coordinate with Forest Department, CWLW office, research institutions, NGOs, and technology partners
- Prepare technical reports, advisory notes, and policy recommendations

Qualifications:

- PhD in Wildlife Science, Conservation Biology, Ecology, Environmental Science, Forestry, or allied discipline
- Minimum 2-4 years of relevant professional or post-doctoral experience

Remuneration:

- ₹60,000 per month (negotiable)

2. Data Analysts (1 Post)

Scope of Work:

- Compile, manage, and analyse data related to human-wildlife conflict and wildlife monitoring
- Support GIS-based mapping and preparation of conflict hotspot analyses
- Assist in development of dashboards and decision-support tools
- Provide analytical support to research projects and reports
- Maintain data accuracy and documentation

Qualifications:

- Bachelor's or Master's degree in Data Science, Statistics, GIS, Computer Science, Mathematics, or related field

Probation:

- Three (3) months, subject to performance review

Remuneration:

- ₹20,000 per month (fixed)

3. Office Assistant (1 Post)

Scope of Work:

- Provide administrative and clerical support to the Centre
- Handle correspondence, filing, and record maintenance
- Assist in logistics for meetings, trainings, and field activities

Qualifications:

- Bachelor's degree in any discipline
- Basic computer knowledge

Remuneration:

- ₹15,000 per month (Fixed)
