At present Sangli district is under the jurisdiction of Divisional Forest Officer, Satara. This arrangement is however, found unsatisfactory and hence the need for both the developmental works in the Sangli district, the positioning of the adequate supervisory and field staff .in Sangli district is considered essential. In view of the above, it is necessary to establish an independent forest Sub division for Sangli district.

The post of Assistant Conservator of Forests with peon from the Watershed Management and Planning Division, Akola will on completion of the work at Akola, be allotted to the Satara Forest Division as attached sub - divisional Forest Officer for work in the Koyna area.
